VADEMECUM

All of our trips are lead by Italian motorcycle guides.

Weekend tours begin Saturday morning and end Sunday evening.

Groups require a minimum of 1 people max 15 riders.

The routes may vary given the condition roads.

The pace kept will always be that of the slowest rider.

In case of specific needs, it will be possible to contact local tour guides.

In case of mechanical breakdowns or other inconveniences, the group as a whole will wait until the problem is resolved.

A service to pick up a broken down vespa will be provided for a fee.

In case of forfeit, the deposit is not refundable.

The Trip

Our trips are designed for on and off road riding.

They are of moderate difficulty and are suited to those with dirt bikes equipped to carry bags.

A minimum off road riding experience is required.

Luggage

For both the driver and the passenger we recommend the following: a waterproof jacket, waterproof pants and waterproof gloves that have some protection, motorcycle boots, a back support, long underwear (depending on the season), a bathing suit and a bath towel.

Any other personal effect should be kept to a minimum in order to travel as lightly as possible.

I HEREBY DECLARE

to be committed to respect wildlife, not to disturb grazing livestock, to slow down while crossing the city centres, not to ride on pathways and tracks banned by law, to pay attention to farming vehicles that might be running on side streets, to keep the safety distance, to ensure that at each cross way the bike that follows has seen the turn, to stop every time the bike that follows calls for it, not to overtake and to follow the riding indications. I also declare that my vehicle complies with the regulations of the Road Code, that I take responsibility for any third party transported by me, that I am able to ride my bike along unsurfaced tracks and pathways and I accordingly release the guides from Stradanova.com Florence of all responsibility resulting from possible damages caused to me, other people, animals or objects.
